GAMES I'VE MADE

PUG LOOSE!

Made in Unity Oct-Dec 2021

- This was my 1st game, is a Topdown game where you control a Pug and try to get as much points before getting caught.

FOOD LOOTER

Made in Unity Sep-Nov 2022

- After a break due to work, I made my 2nd game, this is a Topdown game where you control a Raccoon that try to steals as much from stalls before getting caught. In this game I tried to script more complex mechanics than on my 1st one
